

SCHOOL OF BIBLICAL STUDIES

DIPLOMA IN BIBLICAL STUDIES

A SCHOOL OF
LAST DAYS PROPHETIC TRAINING COLLEGE

The Last Days Prophetic Training College (LDPTC) is a unique online learning experience. The courses and degree programs are designed to be practical, academical, biblically sound, revelatory, local church-oriented and focused on equipping believers to minister the Word of God with power and excellence for service in the Kingdom of God in the last days.

Our mission at LDPTC is to prepare people to seek the deep things of God and hunger for tangible and immersive spiritual encounters with God. The Lord asked me to prepare a company of end-times believers to *know* the Lord Jesus, to *walk* with Him, to *talk* with Him, and to *work* with Him. So that the Lord Jesus can lead them into His purposes and perform His plans through them.

More than an academic institution, the Lord God has mandated us to train and equip the body of Christ. Our model for academic excellence and ministerial training is the biblical pattern of *mentor—disciple teaching and training*.

Furthermore, we adopted the pattern of education, mentoring, and impartation from the life and ministry of the Lord Jesus. We find this pattern in Matthew 4:23: *Jesus was going throughout all Galilee, **teaching** in their synagogues and **preaching** the gospel of the kingdom, and **healing** every kind of disease and every kind of sickness among the people.*

This remains our education model. LDPTC is more than an academic institution; it is a *training center* for Spirit and power.

LDPTC is a college unlike any other! It's the school that nurtures eagles! On May 28, 2020, I saw a vision. In the vision, I saw eagles on the lap of the Lord Jesus. The Lord was patting them. He then turned to me and said, "Nurture the eagles. Moses and Elijah did that; Samuel did that."

The Lord Jesus then gave me a mandate:

Train, teach and perfect them in My ways!

Through the online lectures, you will receive vital spiritual deposits. Moreover, our unique blend of practical and supernatural training will give you a solid biblical foundation that will equip you to fulfill the Father's will. Not only will you learn how to hear the voice of God and recognize His leadings, but you will also receive specific training that will qualify you to fulfill everything God has purposed for you to do.

At LDPTC, you are not here just to gain knowledge, wisdom, and understanding, but to be *changed, prepared, trained, and mentored* to be part of God's end-time army.

LDPTC is dedicated to preparing the end-time remnant – God's people who will be true and faithful to Him in these last days by preparing the remnant to know the Lord Jesus intimately. This will be achieved by teaching them to walk with God like the prophet Enoch and to talk with God like the prophet Moses did. When the remnant is taught these tools, they can then be led by the Lord Jesus into His purposes for them to perform His plans.

This purpose will be achieved by making education at the Last Days Prophetic Training College simple, enjoyable, teachable, approachable, academic, practical, and most importantly affordable.

**BIBLICAL, THEOLOGICAL,
PRACTICAL &
PROPHETICALLY REVELATORY**

LDPTC ONLINE – *Study Online without Borders or Limits!*

Last Days Prophetic Training College progressively integrates the internet and distance education. All our classes are 100% online and self-paced. The curriculum was carefully designed after much prayer and revelation and 95% taught by Bro Sadhu. Every program at LDPTC focuses on practical training, preparing you for ministry. You can start your studies anytime, all year long.

We have designed the courses, counseled by the Lord Jesus, on what He wants His people to know and how to be trained to fulfill His purposes for them. This will benefit believers who are serious about obeying the biblical call upon their lives.

The Last Days Prophetic Training College consists of eight prophetic schools.

- School of Biblical Studies
- School of End-time Army
- School of End-times Studies
- School of the Spirit
- School of Prophets
- School of Prophetic Evangelism
- School of Prophetic Pastor
- School of Prayer

You may undertake courses at any one of the schools according to your calling. The first basic course which is a prerequisite to all other programs is the Diploma of Biblical Studies.

We are convinced that many of God’s people thirst and hunger for a deeper experiential knowledge of the Lord Jesus and His Word, but due to circumstances beyond their control are unable to take part in the traditional classroom setting. God has called LDPTC to be a ministry tool for these dear ones so that they may “feast” upon His Word, learn of Him, be taught by Him, be trained, and be sent out to do the works of God.

Every program—diploma, undergraduate, and graduate are economically affordable for all! You can either pay in full or by installments.

Let me encourage you to consider being taught, trained, and mentored by LDPTC! I pray that your spirit will be enriched, your heart encouraged and your mind renewed and challenged.

With love and blessings,
Sadhu Sundar Selvaraj
Executive Chancellor

DIPLOMA IN BIBLICAL STUDIES

This diploma program contains courses in Kingdom living, Bible doctrines, theology, and end times studies. It will prepare the student with a basic understanding of end times, and kingdom of God related studies that will help them achieve God's purpose in ministry or to be a basis for further study.

The diploma program is a great choice for anyone looking for a focused study of the Bible, an overview of Systematic Theology, and practical ministry training.

The diploma program constitutes 60 credits and is typically completed in less than one year – ten months to be exact. You may shorten the time it takes to complete the course, based on your personal schedule.

This diploma program is a MUST for all other courses in the Last Days Prophetic Training College. This program forms the core foundation for all the other courses.

You may register anytime throughout the year. Study anytime and anywhere as the whole course is online.
