SCHOOL OF END-TIMES' ARMY

A SCHOOL OF
LAST DAYS PROPHETIC TRAINING COLLEGE

[MANDATE]

As I was waiting on God on April 28, 2020, the Lord Jesus visited me and spoke about the establishment of a training center to train the last days' army of God for the end-times. The Holy Spirit then reminded me of a vision I saw on November 10, 1983.

In the vision, I was standing before the mouth of a glory-bright cave. Inside the cave, I saw the Lord Jesus seated on a rock. About 10-15 children, dressed in saffron-colored robes with a belt tied around their waist, gathered near the Lord. I saw the Lord teach them deep things of the Spirit.

The Holy Spirit then signified to me that the mandate the Lord entrusts me to do is what He had shown me in 1983. It is the training of the last days' end-times army of God's remnant.

[GOAL]

1. To raise a company of people in the last days who will be taught, trained to see and hear what the Father God does and say so that they can do likewise.
2. To raise a company of end-times people of God who will not seek for fame nor name but will glorify the Father who sends them.
3. To prepare a company of end-times people of God who will learn to fully surrender and yield their lives to be led by the Holy Spirit.

[MISSION]

To prepare a company of end-times believers to know the Lord Jesus, to walk with Him, to talk with Him, and to work with Him. So that the Lord Jesus can lead them into His purposes and perform His plans through them.

[FEATURE]

This is a fully online college where lessons will be available live as well as on-demand. The studies will be simple, enjoyable, approachable, and academic as well as immersive encounters with the Lord Jesus Christ. Much emphasis will be given to practical training like how the Lord Jesus trained His disciples.

So, join and be trained to be part of the end-times army of God to prepare for the last days.
